## INTRODUCTION

For the 2000 fiscal year, section 556 of the *Canada Elections Act*, which came into force on September 1, 2000, required the chief agent of a registered party to apply section 44 of the previous Act when submitting to the Chief Electoral Officer of Canada a return of receipts and expenses, other than election expenses relating to a general election. As well, in accordance with section 555(2) of the Act, each registered party was required to provide the Chief Electoral Officer with a statement for the fiscal year of its assets and liabilities, including any surplus or deficit, within six months after the end of the 2000 fiscal year.

## Fiscal returns

### Content of the fiscal returns

As required by the Act, the return submitted by each registered political party for the 2000 fiscal year had to indicate the following:

- a) the amount of money and the commercial value of goods and services provided for the use of the party during the fiscal period by way of loans, advances, deposits, contributions or gifts from each of the following classes of donors, and the number of donors in each class:
  1. individuals
  2. businesses
  3. commercial organizations
  4. governments (including the three levels of government)
  5. trade unions

## INTRODUCTION

Pour l'exercice 2000, en vertu de l'article 556 de la *Loi électorale du Canada* qui est entrée en vigueur le 1<sup>er</sup> septembre 2000, l'agent principal d'un parti enregistré devait se conformer à l'article 44 de la version antérieure de la Loi et faire parvenir au directeur général des élections du Canada un rapport sur ses recettes et ses dépenses autres que les dépenses relatives à une élection générale. De plus, en vertu du paragraphe 555(2) de la Loi, tout parti enregistré était tenu de produire auprès du directeur général des élections, dans les six mois suivant la fin de l'exercice 2000, un état de son actif et de son passif et de son excédent ou de son déficit pour cet exercice.

## Rapports financiers

### Contenu des rapports financiers

Comme le prescrit la Loi, le rapport pour l'exercice 2000 que soumet tout parti politique enregistré doit indiquer :

#### **Parties that have submitted their fiscal returns**

The data in this document is drawn from the fiscal returns of eight of the eleven parties registered on December 31, 2000, together with any amendments made by these parties to the information in their returns. The registered parties included in this document are: Bloc Québécois, Canadian Action Party, Canadian Reform Conservative Alliance, Liberal Party of Canada, Marxist-Leninist Party of Canada, Natural Law Party of Canada, New Democratic Party, and Progressive Conservative Party of Canada.

#### **Partis ayant soumis leur rapport financier**

Les données contenues dans le présent document sont tirées des rapports financiers de huit des onze partis enregistrés au 31 décembre 2000 et tiennent compte de toute modification apportée par ces partis à l'information contenue dans ces rapports. Il s'agit de l'Alliance réformiste conservatrice canadienne, du Bloc Québécois, du Nouveau Parti Démocratique, du Parti action canadienne, du Parti de la loi naturelle du Canada, du Parti libéral du Canada, du Parti Marxiste-Léniniste du Canada et du Parti progressiste-conservateur du Canada.

The return of the Green Party of Canada was not received by the July 3, 2001 deadline, nor by the time of publication of this document. Therefore, it is not included in this publication.

Because they were not registered parties until November 6, 2000 and November 8, 2000 respectively, the Marijuana Party and the Communist Party of Canada have different reporting periods based on their dates of registration, as per section 373 of the *Canada Elections Act*.

### **Presentation of the fiscal returns**

Please note that the information is presented as submitted by the parties.

Elections Canada would like to thank the six parties that voluntarily provided their lists of contributors in electronic format, thereby saving us time and money. The six parties are: Bloc Québécois, Canadian Action Party, Canadian Reform Conservative Alliance, Liberal Party of Canada, New Democratic Party, and Progressive Conservative Party of Canada.

### **Statements of assets and liabilities**

The submission of a statement of assets and liabilities is a new requirement of the *Canada Elections Act*.

The statement of the Green Party of Canada was not received by the July 3, 2001 deadline, nor by the time of publication of this document. Therefore, it is not included in this publication.

Le rapport du Parti Vert du Canada n'avait pas été reçu à la date limite du 3 juillet 2001 ni au moment d'aller sous presse. Il n'est donc pas compris dans le présent document.

Parce que le Parti Marijuana et le Parti communiste du Canada sont enregistrés seulement depuis respectivement le 6 novembre 2000 et le 8 novembre 2000, chacun d'eux produira un rapport financier pour un exercice modifié en fonction de la date de son enregistrement, conformément à l'article 373 de la *Loi électorale du Canada*.

### **Présentation des rapports financiers**

Veuillez noter que l'information est présentée ici telle qu'elle a été soumise par les partis.

Élections Canada souhaite remercier les six partis qui ont volontairement fourni leur liste de donateurs sous forme électronique, ce qui nous a permis d'économiser temps et argent. Il s'agit de l'Alliance réformiste conservatrice canadienne, du Bloc Québécois, du Nouveau Parti Démocratique, du Parti action canadienne, du Parti libéral du Canada et du Parti progressiste-conservateur du Canada.

### **États de l'actif et du passif**

La production d'un état de l'actif et du passif est une nouvelle exigence de la *Loi électorale du Canada*.

L'état du Parti Vert du Canada n'avait pas été reçu à la date limite du 3 juillet 2001 ni au moment d'aller sous presse. Il n'est donc pas compris dans le présent document.

Newly registered party's statements of assets and liabilities were submitted by the Communist Party of Canada and the Marijuana Party within six months of becoming registered parties. These particular statements detail each party's assets and liabilities as of the date of their respective registration.

## **Suspended party**

The Christian Heritage Party of Canada was suspended during the 2000 general election because it did not have 50 confirmed candidates, and therefore did not maintain registered status under the Act. This document includes its non-verified fiscal period return and statement of the fair market value of its assets and liabilities. The party's statement of assets and liabilities was not available at the time of this publication.

Le Parti communiste du Canada et le Parti Marijuana ont tous deux soumis un état de l'actif et du passif d'un parti nouvellement enregistré dans les six mois de leur enregistrement. Ce rapport expose en détail l'actif et le passif du parti à la date de son enregistrement.

## **Parti suspendu**

Le Parti de l'Héritage Chrétien du Canada a été suspendu lors de l'élection générale tenue en 2000 parce que, soutenant moins de 50 candidats confirmés, il ne satisfaisait pas aux exigences de la Loi concernant le statut de parti enregistré. Le présent document comprend un rapport financier non vérifié et un état de la juste valeur marchande de l'actif et du passif du parti. L'état du passif et de l'actif du parti n'était pas disponible au moment d'aller sous presse.

**AUDITORS' REPORT TO THE BOARD OF  
DIRECTORS OF THE FEDERAL LIBERAL AGENCY  
OF CANADA, CHIEF AGENT FOR THE LIBERAL  
PARTY OF CANADA**

We have audited the return of the Liberal Party of Canada as prepared in accordance with section 44 of the Canada Elections Act for the year ended December 31, 2000. This return is the responsibility of the Chief Agent. Our responsibility is to express an opinion on this return based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many not-for-profit organizations, the Liberal Party of Canada, through the Federal Liberal Agency of Canada, derives revenue from contributions and other sources the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Agency and we were not able to determine whether any adjustments might be necessary to revenue and net revenue for the year.

In our opinion, except for the effects of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of contributions and other revenue referred to in the preceding paragraph, this return presents fairly, in all material respects, the contributions, operating expenses of the party and all other expenditures (excluding reportable election expenditures, which have been reported upon separately) for the year ended December 31, 2000 in accordance with Section 43.1 of the Canada Elections Act.

**RAPPORT DES VÉRIFICATEURS AU CONSEIL  
D'ADMINISTRATION DE L'AGENCE LIBÉRALE  
FÉDÉRALE DU CANADA, AGENT PRINCIPAL DU  
PARTI LIBÉRAL DU CANADA**

Nous avons vérifié la déclaration de renseignements du Parti libéral fédéral du Canada pour l'exercice terminé le 31 décembre 2000, tel qu'il est requis aux termes l'arhide 44 de la Loi électorale du Canada. La responsabilité de cette déclaration de renseignements incombe à l'agent principal. Notre responsabilité consiste à exprimer une opinion sur cette déclaration de renseignements en nous fondant sur notre vérification.

Sauf tel qu'il est expliqué dans le paragraphe qui suit, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir un degré raisonnable de certitude quant à l'absence d'inexactitudes importantes dans l'état financier. La vérification comprend le contrôle par sondages des informations probantes à l'appui des montants et des autres éléments d'information fournis dans l'état financier. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble de l'état financier.

Le Parti libéral du Canada, par voie de l'Agence libérale fédérale du Canada, tire des revenus de contributions et d'autres sources dont l'intégralité n'est pas susceptible d'une vérification satisfaisante. Par conséquent, notre vérification s'est limitée aux montants inscrits dans les registres de l'Agence et nous n'avons pu déterminer si des redressements auraient dû être apportés aux revenus et au revenu net pour l'exercice.

À notre avis, à l'exception de l'effet des redressements que nous aurions pu juger nécessaires si les contributions et les autres revenus dont il est question dans le paragraphe précédent avaient été de nature à faire l'objet d'une vérification intégrale, cette déclaration de renseignements présente fidèlement, à tous égards imporants les résultats des activités de l'Agence pour l'exercice terminé le 31 décembre 2000 conformément à l'article 43.1 de la Loi électorale du Canada.

## Auditors' Report

### To the Chief Electoral Officer

We have audited the statement of financial position of **The Federal Liberal Agency of Canada** as at December 31, 2000. This financial statement is the responsibility of the Agency's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many not-for-profit organizations, the Agency derives revenue from contributions and other sources the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Agency and we were not able to determine whether any adjustments might be necessary to revenue, constituency and other party organizations' share of contributions, excess of revenue (expenses) for the year, assets and net assets (liabilities).

In our opinion, this financial statement presents fairly, in all material respects, the financial position of the Agency as at December 31, 2000 in accordance with the basis of accounting disclosed in note 1.

Notes to Financial Statements

December 31, 2000

---

## 1 Basis of accounting

This statement of financial position has been prepared in accordance with the provisions of Section 555(2) of the Canada Elections Act (the "Act") which requires the Agency to file a non-comparative statement of financial position and notes prepared in accordance with Canadian generally accepted accounting principles ("GAAP"). The Act does not require inclusion of comparative figures or a statement of operations and cash flows. These statements would be required under GAAP.

## 2 Significant accounting policies

### Basis of presentation

This financial statement reflects the assets and liabilities of the Federal Liberal Agency of Canada (the "Agency"), a company incorporated under the Laws of Canada. The Agency is the Chief Agent for the Liberal Party of Canada (the "Party") and as such is responsible for issuing receipts for donations received at all levels of the Party and for fulfilling the legal responsibilities of the Party as required by the Canada Elections Act.

The Liberal Party of Canada is a federation composed of the following provincial and territorial associations:

- Liberal Party of Newfoundland and Labrador;
- Liberal Party of Prince Edward Island;
- Nova Scotia Liberal Party;
- New Brunswick Liberal Association;
- Liberal Party of Canada (Quebec);
- Liberal Party of Canada (Ontario);
- Liberal Party in Manitoba;
- Saskatchewan Liberal Association;
- Liberal Party of Canada in Alberta;
- Liberal Party of Canada in British Columbia;
- Yukon Liberal Association;
- Northwest Territories Liberal Association; and
- Nunavut Liberal Association

The provincial and territorial associations and their constituency associations (the "Associations") operate independently of the Agency although all contributions received by them are remitted to the Agency who issues receipts for donations.

These financial statements reflect the activities of the Federal Liberal Agency of Canada (the "Agency"), a company incorporated under the Laws of Canada. The Agency is the Chief Agent for the Liberal Party of Canada (the "Party") and as such is responsible for issuing receipts for donations received at all levels of the Party and for fulfilling the legal responsibilities of the Party as required by the Canada Elections Act.

The Agency accounts for only those expenditures incurred by the National Office of the Party, including transfers to the associations of the Party.

## Notes to Financial Statements

December 31, 2000

### Cash equivalents

Cash equivalents are defined as highly liquid investments with maturities at acquisition of three months or less.

### Capital assets

Capital assets are recorded at cost and are depreciated, over their estimated service lives, on a straight-line basis as follows:

Print shop equipment	5 years
Furniture and fixtures	5 years
Computer equipment	3 years
Leasehold improvements	5 years

### Deferred lease inducement

The inducement is amortized over the term of the lease.

### Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the year. Management has estimated the Agency's share of candidate rebates based on historical candidate expenditure patterns. Actual results could differ from these estimates.

### 4 Demand bank loans

The demand bank loans are held by the six Canadian chartered banks at interest rates reflecting the banks' prime rate.

### 5 Capital leases

	2000 \$
Payable in blended monthly instalments of \$1,775 until April 2002. Certain equipment has been pledged as collateral.	30,037
Less: current portion	<u>20,021</u>
	<u>10,016</u>

### 6 Lease commitments

The future minimum lease payments under operating leases for premises are as follows:

Year ending December 31, 2001	\$ 104,000
2002	34,000
2003	3,000
2004	1,000

### 7 Financial Instruments

Financial instruments recognized in the balance sheet consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities and demand bank loans. It is management's opinion that the Agency is not exposed to significant credit risks arising from these financial instruments. Management also believes the carrying value of these instruments approximates their fair values due to their short term to majority and the prime interest rate on the demand loan.

## 1 Règles comptables

Cet état de la situation financière a été préparé selon les dispositions contenues dans l'alinéa 555 (2) de la *Loi électorale du Canada* (la « Loi ») selon lesquelles l'Agence doit déposer un état non comparatif de la situation financière et des notes présentés conformément aux principes comptables généralement reconnus du Canada (« PCGR »). Il n'est pas requis, aux termes de la Loi, d'inclure des chiffres correspondants ou des états des résultats et des flux de trésorerie. Ces états seraient requis en vertu des PCGR.

## 2 Principales conventions comptables

### Mode de présentation

L'actif et le passif de l'Agence libérale fédérale du Canada (l'« Agence »), une société constituée en vertu des lois du Canada, sont présentés dans ces états financiers. L'Agence est l'agent principal du Parti libéral du Canada (le « Parti ») et, à ce titre, il lui incombe de délivrer les reçus pour tous les dons reçus par le Parti et de satisfaire les obligations juridiques du Parti, qui sont prescrites aux termes de la *Loi électorale du Canada*.

Le Parti libéral du Canada est une fédération constituée des associations provinciales et territoriales suivantes :

- Le Parti libéral de Terre-Neuve et du Labrador
- Le Parti libéral de l'Île-du-Prince-Édouard
- Le Parti libéral de la Nouvelle-Écosse
- L'Association libérale du Nouveau-Brunswick
- Le Parti libéral du Canada (Québec)
- Le Parti libéral du Canada (Ontario)
- Le Parti libéral au Manitoba
- L'Association libérale de la Saskatchewan
- Le Parti libéral du Canada en Alberta
- Le Parti libéral du Canada en Colombie-Britannique
- L'Association libérale du Yukon
- L'Association libérale des Territoires du Nord-Ouest
- L'Association libérale du Nunavut

Les associations provinciales et territoriales et leurs associations de circonscription respectives (les « associations ») fonctionnent indépendamment de l'Agence, bien qu'elles remettent tous les dons qu'elles reçoivent à l'Agence, qui délivre les reçus de dons.

Ces états financiers comprennent les activités de l'Agence libérale fédérale du Canada (l'« Agence »), société constituée en vertu des lois du Canada. L'Agence est l'agent principal du Parti libéral du Canada (le « Parti ») et, à ce titre, il lui incombe de délivrer les reçus pour tous les dons reçus par le Parti et de satisfaire aux obligations juridiques du Parti, qui sont prescrites aux termes de la *Loi électorale du Canada*.

L'Agence ne comptabilise que les dépenses engagées par le bureau national du Parti, y compris les transferts aux associations du Parti.

## Quasi-espèces

Les quasi-espèces sont définies comme étant des placements très liquides dont l'échéance au moment de l'acquisition est d'au plus trois mois.

## Immobilisations

Les immobilisations sont inscrites au coût et amorties selon la méthode linéaire comme suit :

Matériel d'imprimerie	5 ans
Mobilier et agencements	5 ans
Matériel informatique	3 ans
Améliorations locatives	5 ans

## Avantage incitatif reporté relatif à un bail

L'avantage incitatif est amorti sur la durée du bail.

## Utilisation d'estimations

Afin de dresser des états financiers selon les principes comptables généralement reconnus au Canada, la direction doit faire des estimations et émettre des hypothèses qui touchent les montants déclarés de l'actif et du passif et la présentation de l'actif et du passif éventuels à la date des états financiers, ainsi que les montants déclarés des revenus et des dépenses pour l'exercice. Les résultats réels pourraient différer de ces estimations.

## 7 Instruments financiers

Les instruments financiers présentés dans l'état de la situation financière comprennent les espèces et les quasi-espèces, les comptes débiteurs, les comptes créditeurs et les charges à payer et les emprunts bancaires à vue. La direction est d'avis que l'Agence n'est pas exposée à des risques de crédit importants découlant de ces instruments financiers. La direction est aussi d'avis que la valeur comptable de ces instruments se rapproche de la juste valeur étant donné la courte durée jusqu'à l'échéance et le taux préférentiel sur les emprunts à vue.

## Auditor's report

To Claude Brunelle, Chief Agent  
**MARXIST-LENINIST PARTY OF Canada**

I have audited the registered party fiscal period return of the Marxist-Leninist party of Canada for the year ended December 31, 2000. This return is the responsibility of the Chief Agent. My responsibility under the Canada Elections Act is to report on whether the return presents fairly the information contained in the accounting records on which the return is based.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan an audit to obtain reasonable assurance whether the information given in the return is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the return. An audit also includes assessing the accounting principles used.

In my opinion, the return of receipts and expenses of the party for the year ended December 31, 2000 presents fairly, in all material respects, the information contained in the accounting records on which the return is based.

## Auditor's report

To Claude Brunelle, Chief Agent  
**MARXIST-LENINIST PARTY OF CANADA**

I have audited the registered party's statement of assets and liabilities of the Marxist-Leninist party of Canada as at December 31, 2000. This statement is the responsibility of the Chief Agent. My responsibility under the Canada Elections Act is to report on whether the statement presents fairly the information contained in the accounting records on which the statement is based.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan an audit to obtain reasonable assurance whether the information given in the statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement. An audit also includes assessing the accounting principles used.

**AUDITOR'S REPORT**  
(Pursuant to the Canada Elections Act)

To the Natural Law Party Fund  
Chief Agent of the Natural Law Party of Canada

We have audited the statement of receipts and expenditures of the Natural Law Party of Canada for the year December 31, 2000. This statement is the responsibility of the chief agent of the party. Our responsibility is to express an opinion on the statements based on our audit. Our audit was designed to enable us to report as required under the Canada Elections Act and as such, included a general review of the accounting systems and such tests and other procedures as we considered necessary in the circumstances, except as noted in the following paragraph.

The Act does not require us to report that the accounting records include all transactions of the Party and, thus, our audit was not designed to determine the extent of omissions, if any, from the accounting records.

In our opinion, the statement of receipts and expenditures of the Natural Law Party of Canada presents fairly, in all material respects, the information contained in the accounting records on which the return is based.

## AUDITOR'S REPORT

(Pursuant to the Canada Elections Act)

To the Natural Law Party Fund  
Chief Agent of the Natural Law Party of Canada

We have audited the Registered Party's statement of assets and liabilities of the Natural Law Party of Canada at December 31, 2000 prepared in accordance with the Canada Elections Act. This return is the responsibility of the chief agent of the party. Our responsibility is to express an opinion on the return based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the return is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the return. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the return.

In our opinion, this statement presents fairly, in all material respects, the financial position represented in the accounting records on which the statement is based in accordance with the requirements of the Canada Elections Act.

The Canada Elections Act does not require us to report, and we have not reported, on the completeness of the accounting records on which the statement is based.

I have audited the return of the Chief Agent of the New Democratic Party for the year ended December 31, 2000 with its summary of contributions and expenditures which is a consolidation of financial information for the federal office, the ten provincial sections and the three territorial sections. This return is the responsibility of the Chief Agent of the Party. My responsibility is to express an opinion on this return.

My audit, of the financial statements of the New Democratic Party Federal Office, was conducted in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management. For the remaining New Democratic Party organizations, I have relied on the reports of the auditors who have examined these financial statements.

All of the financial report on which I have relied were audited and unqualified except for a general limitation on the verification of revenue - that it was not possible because of the nature of revenue, to verify income beyond accounting for the receipts as recorded in the books. Generally, examinations were not designed to determine the extent of omissions, if any, from the accounting records.

In my opinion, subject to the above limitation, this return presents fairly the information contained in the accounting records on which it is based.

I have audited the balance sheet of the New Democratic Party as at December 31, 2000 which is a consolidation of the balance sheet for the federal office, the ten provincial sections and the three territorial sections. This balance sheet is the responsibility of the Chief Agent of the Party. My responsibility is to express an opinion on this statement.

My audit, of the balance sheet of the New Democratic Party Federal Office, was conducted in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether this statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in this statement. An audit also includes assessing the accounting principles used and significant estimates made by management. For the remaining New Democratic Party organizations, I have relied on the reports of the auditors who have examined these financial statements.

All of the financial report on which I have relied were audited and unqualified except for a general limitation on the verification of revenue - that it was not possible because of the nature of revenue, to verify income beyond accounting for the receipts as recorded in the books. Generally, examinations were not designed to determine the extent of omissions, if any, from the accounting records.

In my opinion, subject to the above limitation, this balance sheet as at December 31, 2000 presents fairly the information contained in the accounting records on which it is based in accordance with generally accepted accounting principles.

## Auditors' Report

Directors of PC Canada Fund  
Progressive Conservative Party of Canada

We have audited the balance sheet of the Progressive Conservative Party of Canada (the Party) as at December 31, 2000 and the statements of revenue and expenses and of changes in net assets for the year then ended. These financial statements are the responsibility of the Party's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether these financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements' presentation.

In common with many not-for-profit organizations, the Party derives a substantial portion of its revenue from contributions, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of revenue from this source was limited to accounting for the amounts recorded in the books of the Party and we were not able to determine whether any adjustment might be necessary to contributions revenue, excess of expenses over revenue, assets or net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the contributions referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Party as at December 31, 2000 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

## Auditors' Report

Directors of PC Canada Fund  
Progressive Conservative Party of Canada

We have audited the balance sheet of the Progressive Conservative Party of Canada (the Party) as at December 31, 2000 and the statements of revenue and expenses and of changes in net assets for the year then ended. These financial statements are the responsibility of the Party's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether these financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements' presentation.

In common with many not-for-profit organizations, the Party derives a substantial portion of its revenue from contributions, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of revenue from this source was limited to accounting for the amounts recorded in the books of the Party and we were not able to determine whether any adjustment might be necessary to contributions revenue, excess of expenses over revenue, assets or net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the contributions referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Party as at December 31, 2000 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

## Rapport des vérificateurs

Aux administrateurs du Fonds PC du Canada  
Parti Progressiste-Conservateur du Canada

Nous avons vérifié le bilan du Parti Progressiste-Conservateur du Canada (le Parti) au 31 décembre 2000 et les états des revenus et dépenses et des variations de l'actif net de l'exercice terminé à cette date. La responsabilité de ces états financiers incombe à la direction du Parti. Notre responsabilité consiste à exprimer une opinion sur ces états financiers en nous fondant sur notre vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues au Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le Parti tire une fraction importante de ses revenus de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, notre vérification de ces revenus s'est limitée aux montants comptabilisés dans les livres du Parti et nous n'avons pas pu déterminer si certains redressements auraient dû être apportés aux montants des contributions reçues, de l'excédent des dépenses sur les revenus, de l'actif ou de l'actif net.

À notre avis, à l'exception de l'effet des éventuels redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière du Parti au 31 décembre 2000, ainsi que des résultats de son exploitation et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus au Canada.
